He's trying to make me swear,  
And to tell whooping lies,  
Also wanting me selfish,  
And like not to let me die.  
Dad used to be a hard case,  
By speaking me quite hard;  
But he found a quick way back,  
I think he had my card.  
Now I am somewhat larger,  
I'll give him a hard race,  
And I will spoil his good looks;  
If I get at his face.  
He wants me to 'stuck up',  
Even in badness and vice,  
And to those down but trying  
To be hard and like.  
He still wants me all ways,  
To do some tricks untrue,  
And some other things unwise  
He wants to make me

**WATERFORD**  
On Tuesday evening, Feb. 11, the Circle was entertained at the vestry by Mrs. Whitcomb and Mrs. W. W. Fillebrown. About 60 sat down to a bountiful dinner.

On Wednesday evening, Feb. 12, Mrs. L. R. Rounds entertained the Pollyanna Club at her home. Several members were absent. The "Unclaimed" stroll around the lake, as they were very late, however, you may be sure they arrived in season for the delicious ice cream, brownies and kisses served by the hostess. All departed at a late hour, after spending a most enjoyable evening. The next meeting is to be with Mrs. Carroll Sanborn.

Mrs. G. F. Hill spent the last week in Portland.

Dr. and Mrs. A. J. Stimpson arrived at their home here, Friday, for a few days' stay. After practicing 16 years in town, he has decided to locate in Norway.

There was a regular meeting of Mt. Zion Lodge, F. & A. M., Tuesday evening, Feb. 11. Work, entered apprentice degree, with a lunch following the meeting. There was a good attendance and all enjoyed a good time.

Regular meeting of Keoka Chapter, O. E. S., was held at Masonic Hall on Friday evening, Feb. 14. Owing to the storm, there was a very small attendance. An unusual good supper was served before the meeting.

Mr. and Mrs. H. C. Smith have received the good news that their son, Charles, has arrived in New York from overseas.

The quota for this town on the Armenian fund was \$8000. The amount raised, \$137.00. Those who assisted in the collection were Mrs. W. W. Abbott, Mrs. Irving Bell, Mrs. Chas. F. Saunders, Carl S. Hamilton, W. M. Morse, R. E. Pinkham and L. R. Rounds.

Mr. and Mrs. Harold S. Pike entertained a few friends on Friday evening in their cozy bungalow.

C. D. Morse has purchased of Mrs. C. W. Parker, Jr., the so-called Hersey Place on Plummer Hill.

Lonis Holden, who has been stationed at Camp Devens, arrived home last week after being honorably discharged. He was accompanied by his wife, formerly Beulah Kilgore.

W. W. Fillebrown has received word that his brother, Lieut. Victor Le F. Fillebrown, has been honorably discharged and placed on the officers' reserve corps for 5 years. He is now with the Manufacturers National Bank of Cambridge. Also the city authorities of Newburyport have hired him on every Thursday night to conduct military drill in the city hall for all girls over 14 years of age in the city of Newburyport.

The return for apples sent to England has been most gratifying to the shipper. Elmer Twitchell, on Fore Street, Oxford, sold 160 barrels of Ben Davis, netting over \$5.00 per barrel. Gene O. French of Norway realized from \$5.00 to \$8.00 net per barrel. Willard Brett of Oxbow netted \$9.00 to \$10.00 net per barrel as did M. F. Holman. C. H. George of Hebron realized \$8.80 per barrel.

Freight rates are excessively high, but there was a big demand for apples and a willingness to pay the price. The Boss Sisters of Wilton are reported as receiving over ten dollars per barrel for some extra fancy apples.

## Judge For Yourself

Which is Better—Try an Experiment  
or Profit by a Norway  
Citizen's Experience.

Something new is an experiment.  
Must be proved to be as represented.  
The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is. Now supposing you had a bad back, A lame, weak, or aching one, Would you experiment on it?

You will read of many so-called cures. Endorsed by strangers from faraway places.

It is different when the endorsement comes from home.

Easy to prove local testimony. Read this Norway case:

E. C. Libby, Sanborn St., says: "I had backache a great deal and it annoyed me to do anything. My head ached frequently, too. I also noticed little specks before my eyes and my sight blurred. I used various medicines, but it was left for Doan's Kidney Pills to give me lasting results. Since using them, I have had no return of the complaint and I have great confidence in Doan's."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Libby had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Whether it's you or me,  
Others must know of it.  
Now we should send jinx back,  
Fighting each for self,  
To jinxes purgatory,  
And let resign our good self.  
Now do not think I'm 'stupidous'  
Cause I am a jinx.  
He is unwary mistakes  
And our own faults mistakes.  
Albert P. Pingree.

He still wants me all ways,  
To do some tricks untrue,  
And some other things unwise  
He wants to make me  
He follows me in the night  
And harasses my dreams,  
And will not let me alone  
If I leave him alone.  
After all he is helpful;  
That little jinx of mine,  
For he wants me to study  
That little jinx of mine.  
But I will corner him yet,  
If it takes a little time.  
Then I will leave him to stop  
Spelling my little rhyme.  
When I fought and won my point  
He did not stick cleave,  
And in every attack  
He finds another lair.  
The only way to conquer,  
To all all the house  
With good wives, then he will go  
Like a poisoned old mouse.  
But if he ever conquers,  
It matters not one whit,  
Whether it's you or me,  
Others must know of it.

## THE MOST DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back—wake up! Your kidneys need help. These signs are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

Mrs. Freeman McKen went to Portland to consult a specialist recently. Harry and Donald Andrews, little sons of Mr. and Mrs. Lee Andrews have visited their grandparents, Mr. and Mrs. H. B. McKen at West Stoneham.

There were eighteen from this locality attended the K. of P. installation and dance at East Stoneham, Saturday night. Leonard Wilson carried them in a big team.

The St. Valentine dance under the auspices of the grange was a success every way. Owing to the snow storm, there was enough to warrant an attendance as usual, but a baked bean and pastry supper was served at intermission. The dance was enjoyed until a late hour. When the crowd started for home the weather had cleared and it was bright moonlight.

Frank Mason is helping E. S. Bartlett put in his ice.

A beet and a bottle of catsup to Millard Sanborn, consolation prize, after which the party greatly enjoyed several selections on the victrola. Delicious home made candy in great quantity and variety was served.

Our oldest resident, John J. Pike, holder of the "Post" cane, very pleasantly passed his eighty sixth birthday at his lovely home, Mountain View Farm, on Monday, Feb. 17. Your correspondent took dinner with him Sunday and found him, except for impaired eyesight, in good physical condition, with mind clear and active. He told me he was born in the same house in which he now lives and is the only one East of the Saco River that has been born and has lived here continuously to reach this age in town.

He is the oldest member of both the I. O. O. F. and K. of P. in town. Mr. Pike and of the best equipped farms in Oxford County, two sons, John W. and Enoch carry on one. They have a very valuable stock of thoroughbred Jerseys. While, owing to his lack of eyesight he is unable to take an active part, his interest is just as keen as ever. We wish him many happy returns of the day.

Enoch W. Pike, Scott L. Douglas and Geo. Spencer took their first degree in Free Masonry at Fryeburg, Monday evening.
